

G9 Retrofit LED RETROFIT

7 Year Limited Warranty

Vega Light Control Systems warrants each G9 LED Retrofit family of products including all versions to be free from defects in materials and workmanship and to operate from the date of installation (or date of manufacture if installation date is not known or available, or verifiable) for the time periods and subject to the Terms and Conditions specified below.

TERMS AND CONDITIONS

This warranty only applies when Vega Light Control Systems each G9 LED Retrofit versions are properly wired and installed; are operated on a suitable power supply within the electrical values recommended by Vega Light Control Systems are operated in environmental conditions (temperature, humidity) within the normal specified operating range of the system; are installed in accordance with the instructions contained in the installation guide included with the product. This warranty does not apply to any abnormal use or use in violation of any applicable standard, code or instructions for use in installations including those contained in the latest National Electrical Code (NEC), the Standards for Safety of Underwriter Laboratory, Inc. (UL), Standards for the American National Standards Institute (ANSI) or, in Canada, the Canadian Standards Association (CSA). This warranty will not apply in the event of conditions demonstrating abnormal use or stress, including under/over voltage conditions, outside the following recommended operating conditions:

- 84-month warranty period is based on maximum 4,680hr./yr. Operation on a burning cycle of 12 hours/day.
- Maximum mean ambient fixture operating temperature over 40 degrees Celsius.
- Do not exceed the case temperature noted on the G9 LED Retrofit LED driver.
- Do not exceed the published ambient operating temperature for G9 LED Retrofit power supplies.

The warranty excludes defects resulting from improper installation, acts of God, damage caused by severe weather conditions such as lightning and storms, fire, vandalism, or civil disturbances, inadequate/compromised drainage, evidence of submersion in water on the failed unit voids the warranty. Replacement of Vega Light Control Systems G9 LED Retrofit components with components of other manufacturers will void the entire warranty.

If a Vega Light Control Systems G9 LED Retrofit fails to operate for the specified warranty period, Vega Light Control Systems, at its option, will provide a free replacement, repair or issue credit for the component in accordance with the Terms and Conditions set forth below (labor not included).
